FROM:

Acting Director, Foreign Broadcast Information Service

SUBJECT: Letter of Appreciation

I would like to take this opportunity to express my thanks and appreciation to the staff of the Security Duty Office, Headquarters Security Division for their performance during the recent fire in the Key Building. Throughout the event, members of the Headquarters Security Division were on the scene providing assistance and information. Subsequent to the fire, the Security Duty Office responded to questions from my Senior Staff in such a fashion that left no doubt that the Office of Security was aware and in control of the situation. The professionalism and devotion to duty exhibited during this incident well reflects the "can do" spirit that has long been a trademark of the Office of Security.
